

## Explorer's Must-do Checklist

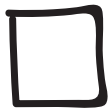

### Be amazed by the world's largest freshwater aquarium

Enjoy the serenity of the Amazon Flooded forest and chill out at the manatee viewing gallery.

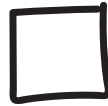

### Enjoy close animal interactions at Amazonia Encounters

Step into this tropical aviary and look out for our free-ranging residents such as the Golden-Headed Lion Tamarin, Azara's Aguoti and more.

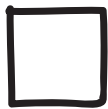

### Meet the most loveable rodent - our capybaras

Watch the world's largest rodent and other animal stars in action, at the Once Upon A River animal presentation.

### Hop on board our Amazon River Quest boat ride

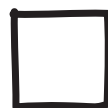

You'll get a chance to spot animals like our jaguar, scarlet Ibis, capybara and many others as they lurk near the boat route. Get ready for some splashes as well!

### Play spot the difference with our giant panda couple

Enjoy unobstructed views of the stars of the River Wonders - Kai Kai and Jia Jia.

Here's a hint: look at their noses.

### Rest in the tranquility of nature on the viewing deck

Come during the early evening to catch an Insta-worthy moment on the bridge with the beautiful backdrop of the sunset.
